1. CENTRE EMILE BERNHEIM IN 2016

The Centre Emile Bernheim (CEB) is the **Université libre de Bruxelles's research institute in Management Science**, affiliated to the **Solvay Brussels School of Economics and Management** (SBS-EM).

CEB's creation was encouraged by Emile Bernheim, a Belgian industrialist and philanthropist. CEB is supported by the **Fondation Emile Bernheim**, the second largest Belgian Foundation.

CEB develops and promotes advanced scientific research in management. It hosts full-time and part-time professors, as well as researchers. In line with Emile Bernheim's aim to support youth, CEB also trains PhD students and young researchers.

CEB's members are currently active in the following fields: Finance, Accounting & Tax Sciences - International Trade & Development - Strategy, Corporate Governance, Marketing & Innovation - Economic & Financial History - Human Resources, Organisation & Labor Economics - Microfinance (CERMi) - Public Management - Centre d'Etudes Economiques et Sociales de l'Environnement (CEESE). In his will, Emile Bernheim stressed the importance of interdisciplinary research. His message has been translated in CEB's structure, as some of CEB's departments were conceived around a theme rather than a discipline.

CEB's members publish in top scientific journals and participate in conferences and academic teaching worldwide. CEB senior researchers have developed close relations with public and private firms, and national and international organisations (European Union, World Bank, federal and regional Belgian governments, European Patent Office, Organisation for Economic Co-operation and Development). These relations frequently lead to contracts that fund applied research work and expertise. CEB also runs the Doctoral School in Management Science of SBS-EM. CEB PhD students benefit from highly competitive grants such as FNRS (Fond National de la Recherche Scientifique), FRESH (Fonds pour la Recherche en Sciences Humaines), PAI (Pôle d'Attraction Interuniversitaire), Doctiris.

CEB is chaired by Professor Kim Oosterlinck, and directed by Professor Pierre-Guillaume Méon. The administrative staff, led by Mrs. Aurélie Rousseaux, is composed of Mrs. Véronique Lahaye, Mrs. Anne-Lise Remy, and Mrs. Annie Siot (part-time since September 2016).

The **CEB Research Seminars in Applied Economics and Management** is supervised by Professors Pierre-Guillaume Méon and Sandra Rothenberger. The monthly **Brown Bag Seminar** welcomes senior and junior researchers who present their work in progress. CEB organizes the "**Management Café**" that applies to management the concept of "cafés philo". The idea is to debate in a friendly and relaxed "café" atmosphere on topics relevant to anyone with an interest in business and organizations. CEB organizes doctoral courses and hosts visiting professors who actively participate in research and teaching activities, such as the European Master in Microfinance, and the Doctoral Programme.

Specific information on ongoing activities, Working Papers, the statutes of the CEB and contact members can be found at <http://www.solvay.edu/centre-emile-bernheim>.

In 2016, CEB welcomed new members:

- Several Researchers joined CEB's Departments: Marie Godts and Rafael Pérez Cortines joined the Department of Strategy, Corporate Governance, Marketing & Innovation, Malory Rennoir and Octave De Brouwer the Department of Human Resources, Organisation & Labor Economics, and Beni Kouevi-Gath the Department of International Trade and Development.
- CERMi welcomed four new members in 2016: Pascal Glémaint, Associate Professor, Laure Radermecker, Researcher, Claudia Savarese, Researcher (PAI fellowship) and Zineb Aouni, Post-doctoral Researcher (PAI fellowship).

This report first presents CEB's structure, then lists the seminars, conferences, courses, and PhD theses in which its members participated. Last, the report surveys the publications of CEB members by type and their other scientific accomplishments, such as involvement in conference organisation, talk, expert mission, membership in networks and scientific committees, and corporate trainings.

We hope you will enjoy reading this report.

Discussant: **Marek Hudon** (Professor, CEB)

3.4. Management Café

In October 2015, CEB launched the Management Café, a series of thematic informal meetings, which transpose to management topics the concept of the "cafés philo". The idea is to foster a debate in a friendly and relaxed "café" atmosphere. The topics are relevant to anyone with an interest in business and organizations. The Solvay professors and alumni are invited to attend. This innovative activity is sponsored by the Bernheim Foundation. The organizing committee is made of Vincent Giolito, Pierre-Guillaume Méon, Sandra Rothenberger, and Aurélie Rousseaux.

During the year 2016, four Management Cafés took place at the BOCO (Avenue Louise, 521 – 1050 Brussels) and welcomed around 30-40 persons each time. Topics were diverse. This activity is in French.

February 3, 2016 : "L'art pour l'art. Et pourquoi pas pour l'entreprise ?"

Quelle est la valeur ajoutée de l'art en entreprise ? Du mécénat d'entreprise à l'importance du beau dans la communication, venez échanger sur ces questions au carrefour de l'économique et de l'esthétique lors du Management Café.

3.5. Doctoral Courses

CEB and the Graduate School in Management Science (ULB-ULg-UMONS) jointly manage the doctoral training in management science at ULB. In addition special events are organized, such as job market seminars aiming at helping young researchers target outlets for their papers. In 2016, two such sessions took place:

March 9, 2016	Serge da Motta Veiga (Assistant Professor of Management - American University - Kogod School of Business), Job Market Seminar "Navigating the academic job market: Strategies and tips"
March 10, 2016	Thomas Lambert (Assistant Professor of Finance - Rotterdam School of Management - Erasmus University), Job Market Seminar

3.6. Opening Day of the Graduate School in Management Science ULB-ULg-UMONS

On October 21, 2016, the Scientific Opening Day of the Graduate School in Management Science ULB-ULg-UMONS was held at Université de Liège (ULg). The programme of this day was as follows:

3.9. Inaugural Conference: From Wrong to Right: How to Manage Organizational Errors

Fortis, Volkswagen, and also government security agencies... Organizational errors bring down entire organizations. They may claim lives. They can bring down entire organizations. How and why do errors occur? What can executives do before it is too late? What can we learn from past errors? To answer those questions, the Baillet-Latour chair on Error management at Solvay Brussels School of Economics & Management, in cooperation with

ESMT Berlin, has been pleased to invite to the inaugural event on May 12, 2016: **From Wrong to Right: How to Manage Organizational Errors**. The programme was:

18h30 Keynote speakers

"Managing Errors: Lessons from the Flight Deck", by **Magnus Sundstrøm**, A340 Flight captain, Chief pilot instructor, SAS Airlines

"Managing Errors and Problems as a CEO in the Financial Industry", by **Paul Bodart**, former CEO, Bank of New York Mellon

"An Agenda for Leaders: Managing Errors in a Fail-Safe Environment", by **Prof. Amy Edmondson**, Novartis Professor of Leadership and Management, Harvard Business School

19h30 Q&A panel

Prof. Ariane Szafarz (email: aszafarz@ulb.ac.be)

Objective

The Doctoral School in Management Sciences set up jointly by ULB (Solvay Brussels School of Economics and Management), ULg (HEC - School of Management) and UMONS (Warocqué Faculty) aims to offer high level training, in accordance with the most demanding international standards, combining mastery of theories and methods, innovation, critical thinking, group work and personal approach. The programme is organized around a general principle: the creation of value in an increasingly globalized world, as applied to the various fields of management: strategy, finance, marketing, production, information systems, organization, human resources, etc.

Programme content

The programme is bilingual French/English and gives priority to international openness, scientific excellence and innovation as well as publication in scientific journals. The priority of international openness is marked in particular by a policy of privileged partnership with certain foreign institutions: METEOR, the Research School of the Maastricht University School of Business and Economics, the Lille Institute of Business Administration, University of Lille 1, the management training and research unit of the University of Paris I Pantheon-Sorbonne.

The doctoral training programme offered by ULB, ULg and UMONS meets the essential condition of specialization and integration of knowledge in a global economy. It is FNRS-approved. It comprises a) a core curriculum aimed at assuring a uniform skills base, encouraging knowledge among doctoral students and comparison of models, research questions and methods; b) a specialization programme comprising advanced classes and themed workshops in each of the six management areas: international trade and development; finance and accounting; information systems, supply chain management and Management Quantitative Methods; marketing and strategy; human resources and organization; innovation and entrepreneurship.

The Doctoral Programme

The Doctoral Programme in Management Sciences of the Solvay Brussels School of Economics and Management includes the one hand, the Doctoral Training in Management Sciences and Applied Economics in the Graduate School ULB-ULg-UMONS, and secondly the PhD in Economics and Management (for more information, visit: <http://www.solvay.edu/doctoral-courses-ceb>)

In 2015-2016, both programmes have a total of 51 students enrolled (with 22 in doctoral training), of 18 different nationalities.

The Doctoral Programme of the SBS-EM also aims to promote international collaborations including hosting renowned professors, establishing joint PhD, and encouraging stays of doctoral students in other universities.
