

INVITATION

Sustainability Challenge U.L.B.

6. juin 2026

Register to discover our students' projects!

After a full semester of intensive work in collaboration with start-ups and an ULB training project, **7 teams** will present their solutions and recommendations.

What to expect:

- Concrete, innovative, and high-impact projects
- A jury of professionals and academics
- A dynamic **hackathon format**, with teams finalizing their work live (9:00 AM – 5:00 PM)

Final pitch: 5:00 PM – 7:00 PM

Cocktail & networking: from 8:00 PM

Come support, discover, and connect with the next generation of talent!
